

Black Piston (BPMC) Creed

(Obtained from public venue)

I am a Black Piston, answering only to the Black & White World. I will ride and conduct myself in support of the Outlaws Motorcycle Club, Outlaw Motorcycle Club Associated Clubs, Outlaw Affiliated Motorcycle Clubs, and Outlaw support riders worldwide.

There is no room for gray in my world, for I live in a World that is Black and White. Few men aspire to greatness and fewer still aspire to true Brotherhood. I have achieved both by my association, and I will defend to the death my right to associate with my Brothers.

Love, Loyalty, and Respect is the mantra of our Brotherhood. Service, Support, and Brotherhood is our mission. True Honor is our ultimate goal. The need of our Brothers is our own. I will never betray my Brothers; nor will I ever take for granted the Trust they have placed in me, for I wear it upon my back.

The things I do, I will do for the benefit of all in the Black and White World, for it is here that I have found my Home and my place in life. This is my World and I will live it on my terms.

Upon my Honor as a man, I Pledge This Creed.
